

9th January 2018

Dear Parents/Carers,

In Foundation Stage this term, we are learning about 'New Year around the world'. We are busy planning our own New Year celebrations with the children (watch out for the photographs on the website!).

Later on this term, **we will be learning about and celebrating the Chinese New Year**. To bring this learning to life we will taste Chinese food, learn about their culture and New Year traditions, share fortune cookies, receive lucky envelopes and create our own dragon dance.

For this to happen **we are asking for a contribution of £1 per child**. This is of course a voluntary contribution- however without sufficient funds many of the practical activities will not be able to happen. Please send your money into school in a **sealed envelope with your child's name, class teacher and 'Chinese New Year' clearly marked on the front of the envelope by Monday 15th January**.

Thank you for your continued support.

Yours sincerely,

Miss J. Brockington & Miss S. Melloy
