

# Boston West Academy

Dear Parent, below you will find information about our learning this term. We hope this will help you to support your child at home and with homework. As always, we start with our initial plans and then adapt our planning in response to the children's ideas and thinking. Our PE day this term is Friday and homework will be given on a weekly basis, usually on a Wednesday. If you have any questions and queries, then please do not hesitate to get in touch - I am always available!
