

BIG AUTUMN TIDY UP!

Sunday 23rd September
10 am-12 noon

After a lovely hot and sunny Summer we are having an early tidy up! We are out in our School grounds learning all year round and the children love to 'Get Out There!'

On Sunday 23rd September 10 am-12 noon we are having another of our gardening days when we would love everyone to get involved helping to tidying our school grounds. Please bring tools* to use, your enthusiasm and energy!

Even if it's only half an hour, any time you could spare would be greatly appreciated. This yearly event is very successful and great fun for all who come along and get involved. So come along with members of your family and lend a hand to help our grounds continue to be a place we can all be proud of!

Tea/coffee/squash & biscuits will be provided.

So, please come along, bring the children and have a great time - together we can make a difference!

Please note all children must be accompanied by an adult.

* Wheelbarrows, spades, forks, lawn rakes, gardening gloves etc
