Starlings mobile Planetarium visit

Dear Parents/Carers,

We have invited the team from Starlings mobile planetarium to visit the Year 5 children on **Tuesday 18th September**. The team bring an exciting visual display of the night sky into school in the form of a self-contained darkened classroom which encourages intensive study sessions without distraction. Children will be given the opportunity to learn all about space in a fantastic, fun and educational environment to further support this term's Science topic.

Therefore, we kindly ask for a **voluntary contribution of £2.75 by Monday 17th September**. Keep an eye out for photographs from our visit on the school website!

Many Thanks,

Mrs O'Connell and Miss Ireland
