

Tuesday 7th March 2019

Dear Parents/ Carers,

### Year 2 'Indian Experience' Workshops

To support our 'Around the World' theme this term, we have arranged for Mrs Sunita Patel to visit our school on **Tuesday 5<sup>th</sup> March** to lead some 'Indian Experience' workshops to both of the **Year 2** classes. All of the children will take part in two hour long workshops which will give them the opportunity to dress up in traditional Indian clothes, take part in Bollywood style dancing and learn more about life in India and Hindu festivals.

Whilst school is subsidising the cost of these exciting workshops, we are asking parents to kindly contribute **£4.00**. Unfortunately, if we do not receive enough contributions the workshops may have to be cancelled.

We hope you will support us in delivering this exciting learning opportunity for your child.

Keep an eye on the website for photos of the day!

Yours sincerely,

*K. Featherstone*                      *J. Griffin*
