

Boston West Academy

Science – Family Fun Evening

Dear Parents/Carers,

You are invited to our Science Family Fun Evening on **Wednesday 1st May from 5:30pm until 7.00pm**. You will have the opportunity to carry out some simple, hands-on scientific experiments and problem solving activities where the emphasis will be on **having fun with your child**.

There will be a science trail to enter on the evening solved by visiting each year group to find the clues to identify a mystery scientific word. This will then be drawn during the whole school assembly on the Friday. Well-earned refreshments will be provided during the evening to keep you going as you explore and experience ‘Hands On ‘Science at Boston West.

We would like to invite parents that work in any area of science to come and informally talk to children on the evening and showcase their job. This could be anything from a photographer, a vet, a baker, a nurse to an engineer or electrician (previously I have organised a little activity to do e.g. an electrician might have some circuit building resources for children and parents to investigate). We would warmly welcome anyone interested in doing this, please speak to Mrs Pickwell if you would like more information.

We are also fortunate to host the ‘Science Dome’ during the evening! They provide a fully digital, blacked-out purpose built mobile dome capable of showing 360 degree pictures and feature films. On the evening they will be showing their ‘Dinosaur Show’ at three different times throughout the evening. Numbers are limited and this is bound to be popular, so if you would like to visit the dome for the Dinosaur Show as a family please select the time below and state how many people (including children) it is for. Shows will last for around 25 minutes.

This promises to be a fun, informative evening for all families – make sure you don’t miss out!

Yours sincerely

Mrs Pickwell

Mrs Pickwell

Science Family Fun Evening

We would love to come to the **Science Family Fun Evening**.

Please indicate how many adults children will be attending

We would like to attend the Dinosaur Show in the Science Dome at (optional):

5:30 6:00 6:30 (Timings are tight so please be prompt)

Signed Child’s name: Class.....
